

"Don't junk 'em – Rebuild 'em."

The Clay County Cruzers car club was founded 2008 in Middleburg, Florida. We are an active, Florida Not for Profit Corporation with elected officers and by-laws. We hold Car Shows, Cruise-Ins and sponsor charity events and support civic, community and other local events.

The club provides a common meeting ground for classic car owners and enthusiasts for the enjoyment of ownership, workshops, car events and meetings. Our goal is to keep classic car interest and cultures alive. Our members share their experiences with fellow members, providing valuable referrals to seasoned restoration shops that can help with restoration projects and provide a network of people that share the same interest.

Our club has another purpose and that is to support our local community. We have established an annual scholarship fund that provides financial assistance to Clay County high school graduates. The Club also supports many Clay County charities throughout the year by generating funds from shows and events.

In 2019:

- Awarded three \$1,500 scholarships (\$4,500 total) to Clay County graduates.
- Donated over \$8,000 to local Clay County Charities
  - o The Food Pantry of Green Cove Springs
  - o AMI Kids
  - o Seamark
  - o Quigley House
  - o Special Olympics of Clay County
  - o Clay County Animal Shelter
  - o Vietnam Veterans
  - o K-9 for Warriors

We call on sponsors and vendors to participate in our Car Shows and Cruise-Ins. We hold 2 Cars Shows a year and 3 Cruise-Ins each month. At these events we give away marketing material from various companies, door prizes, trophies, dash plaques and items for the raffle ticket sales. We also give away items in "goody bags" to the participants. This is the perfect opportunity to give your business exposure by advertising to a wide variety of participants and spectators and to reach your target market. In addition, we display our Sponsor banner as well as listing sponsors on our website.

We sincerely appreciate of our sponsors' support. Your annual donation will make a difference!

Best Regards,

Clay County Cruzers
